DESIGNATING A SPECIAL USE DISTRICT ON CASTRO STREET--EUREKA VALLEY FOR A PERIOD OF ONE YEAR, PROVIDING FOR ADMINISTRATION OF SPECIAL USE CONTROLS FROM BUILDING AND SPECIAL USE PERMIT FEES, CERTIFYING REVIEW OF NEGATIVE DECLARATION.

WHEREAS, Neighborhood residents and merchants have expressed concerns that the recent rapid changes and intensification of commercial activity on Castro Street--Eureka Valley have caused unwelcome changes in the character of the C-2 zoning district and the adjacent residential district; and

WHEREAS, The City Planning Commission on September 13, 1979, adopted Resolution No. 8371, establishing a policy of discretionary review for any permit application in the Castro Street area which might be detrimental to the character and stability of the commercial district and adjacent residential area; and

WHEREAS, The Board of Supervisors forwarded a request to the Department of City Planning to study the above-described area for possible reclassification from C-2 to RC-1, thereby resulting in the initiation of interim controls for a one-year period beginning October 19, 1978, and thereafter extended for another six months to April 19, 1980 under the provisions of City Planning, Code Section 302(e); and

WHEREAS, The Department of City Planning conducted a thorough study of the neighorhood commercial districts including the above-mentioned area, and published on October 25, 1979, a preliminary report entitled "Neighborhood Commercial Conservation and Development" which contained draft recommendations for Special Use District controls; and

WHEREAS, Following a series of neighorhood meetings and City Planning Commission public hearings at which much testimony was heard, both in favor of and in opposition to the proposal, the Department prepared revised controls and an analysis of their potential impacts and presented these to the Commission in a memorandum from Rai Y. Okamoto entitled "Neighborhood Commercial Zoning Study" dated February 14, 1980; and

WHEREAS, The City Planning Commission considered comments based on said February 14, 1980 memorandum in a public hearing on February 28, 1980; and

WHEREAS, The Department has analyzed other zoning alternatives to controlling special uses and upper story non-residential uses and concluded that the Special Use District concept is the preferred approach; and

WHEREAS, The Special Use District would require that certain commercial uses receive special review by the Department of City Planning staff and the Planning Commission and that specific staff persons would be necessary to process these special use permit applications and keep current project records; and

WHEREAS, The current Department of City Planning budget provides insufficient staff to implement and administer the proposed controls; and

WHEREAS, Revenue could be derived from a combination of fees required for building and special use permits to cover the administrative costs of these Special Use District controls; and

WHEREAS, The City Planning Commission nevertheless believes initiation of the proposed controls is warranted on a one-year interim basis, to allow for the analysis of the effectiveness and appropriateness of such zoning controls; and

WHEREAS, The City Planning Commission on March 13, 1980 endorsed Resolution 8533 recommending that the Board of Supervisors hold public hearings on the proposed Special Use District with the purpose of considering initiation of said special use controls for a one year interim basis, subject to provision of sufficient staff and budget to the Department of City Planning for administration of such controls; and

WHEREAS, A final negative declaration was adopted and issued for the proposed Special Use District proposal on February 28, 1980, under environmental evaluation No. EE 79.446;

THEREFORE BE IT RESOLVED, That the Board of Supervisors before acting on the Castro--Eureka Valley Special Use District, does hereby certify that it has reviewed and considered the information contained in the negative declaration issued for the project;

AND THEREFORE BE IT FURTHER RESOLVED, That said Special Use District controls should have a period of one year to allow for at the analysis of the effectiveness and appropriateness of such zoning controls;

AND THEREFORE BE IT FURTHER RESOLVED, That the appropriate combination of Building and special use permit fees would provide such revenues by which to administer said special use controls;

WHEREAS, Neighborhood residents and merchants have expressed concerns that the recent rapid changes and intensification of commercial activity on Sacramento Street between Lyon and Spruce Streets have caused unwelcome changes in the character of the C-2 zoning district and the adjacent residential district; and

WHEREAS, In response to these concerns, the Board of Supervisors is considering a neighborhood proposed special use district to temporarily prohibit the approval of permits for the establishment of amusements, places of entertainment, dance halls, cabarets, restaurants and bars in the above area, and directed staff of the Department of City Planning to carry out a thorough study of the problems on Sacramento Street and to consider the establishment of a Special Use District there; and

EXTENDING FOR UP TO MONTHS TO AUGUST 26, 1980 CITY PLANNING COMMISSION REVIEW PERIOD FOR PROPOSED UNION STREET SPECIAL USE DISTRICT

WHEREAS, Neighborhood residents and merchants have expressed concerns that the recent and rapid changes and intensification of commercial activity on that portion of Union Street between Steiner Street and Lombard Streets have caused unwelcome changes in the character of that C-2 (Community Commercial) zoning district and the adjacent residential district;

WHEREAS, In response to this concern, the Board of Supervisors enacted an ordinance temporarily prohibiting the approval of permits for the establishment of amusements, places of entertainment, dance halls, cabarets, and restaurants in the above area for one year, thereafter extended for another five months, to expire on June 23, 1979, and directed staff of the Department of City Planning to carry out a thorough study of the problems on Union Street and to consider the establishment of a Special Use District there; and

WHEREAS, the City Planning Commission adopted Resolution No. 8242 on April 26, 1979, initiating interim Special Use District controls for the Union Street Commercial Area,

WHEREAS, The period required for the City Planning Commission to report to the Board of Supervisors has or will shortly expire; and

WHEREAS, City Planning Code Section 302(e) authorizes the Board of Supervisors to extend such periods for additional six month periods; now therefore be it

RESOLVED, That the Board of Supervisors does hereby grant to the City Planning Commission an additional two months until August 26, 1980 that such interim controls shall be in effect for the Union Street Area or until such time as the Special Use District legislation goes into effect, whichever date comes first on the proposed zoning thereto.
